We encourage all attendees to practice emergency procedures at your home. We will send you supplies and a shopping list so you can practice high risk procedures along with the faculty as they give you expert tips to improve your emergency practice. This is included with your registration. Procedures include: |

- Cricothyrotomy
- Suturing
- Intubations with bougie
- Mixing push dose epi
- IV access

6:00 – 7:30PM

BEER & CASES

We encourage you to get out and go to your neighborhood pub, grab your favorite beverage and join the faculty to go over real cases. The faculty will be presenting from their local brewery!!

SUNDAY, FEBRUARY 21, 2021

1:00 – 5:00PM

“Sunday Jam with Dan” featuring Dr. Dan McCollum, MD: Join Dr. McCollum and guests on a variety of topics* to include: EMS; Wilderness topics; sports medicine; dental emergencies; pediatric airway; approach to shock; Diversity topics and mentorship. Informal discussions will end with open Q&A session. This is a great opportunity to interact with these experts and get your burning questions answered. (Optional program – Must also be registered for the Saturday main course to register for this.)
